SUBJECT	<b>REDUCED AERODYNAMIC RESISTANCE</b> Travel to Ukraine by <b>ABCASSONARY/34</b>		ABSTRACT	
ACTION REQUIRED - REFERENCES	<b>FYI</b>  A. <b>WFA-32423</b> , 16 November 1960 B. <b>OSMA-9758</b> , 29 July 1960 C. <b>OSMA-9779</b> , 11 August 1960  1. While reading <b>ABCASSONARY/29</b> 's report on an internal contact of <b>ABCASSONARY/34</b> , forwarded as separate cover attachment to Reference A, we noticed that mention was made of <b>ABCASSONARY/34</b> 's possibly traveling to the Ukraine. Perhaps the <input type="checkbox"/> has already considered using <b>ABCASSONARY/34</b> as a <b>REDUCED</b> traveler and has found reasons why this would or would not be appropriate. (His mother might be an important factor, for instance.) Several factors suggest that some consideration be given to such an operation:  A. <b>ABCASSONARY/34</b> has at least two personal friends on the inside who would be of great operational interest. One is alleged to be "high in the Party" (separate cover attachment, Reference A). The second, the subject of paragraph 3 of Reference B and paragraph 5 of Reference C, is allegedly still involved with an underground movement, an area of intense <b>KUBARK</b> interest. The possible benefit to <b>KUBARK</b> of making contact with a group of anti-regime Ukrainians in high places is obvious. In any event, something should be done to check out further the subject of paragraph 3A, Reference B.  B. As a scientist, <b>ABCASSONARY/34</b> might well be able to provide useful information in satisfaction of <b>KUBARK</b> intelligence requirements, particularly in the medical field.  2. Levying intelligence requirements on <b>ABCASSONARY/34</b> would presumably be rather easy and direct once officer contact possible, if desirable, as <b>ABCASSONARY/34</b> is witting of <b>ABCASSONARY/1-KUBARK</b> collaboration and has met staff officers from the <input type="checkbox"/>

**DISPATCH**

3. It might be useful for you to know that in **AMBASSADORIAL** operations run from Headquarters, we have placed priority on development of recruited internal sources. While outright collection of intelligence by ingoing **REDSKIN** travelers is an important second task, the group's strength and apparently greatest potential lies in the area of internal contacts. It is Headquarters' policy to steer **AMBASSADORIAL**/1 in that direction.
